

ROMANIA EXPEDITION – JULY 2025

Dear Students and Parents/Guardians,

The St Wilfrid's RC College students have been offered the opportunity to take part in something amazing – a 10 day school expedition to Romania in 2025 with Outlook Expeditions, the leading independent provider of youth development programmes in the United Kingdom.

Expeditions are so much more than a school trip. They develop character, build resilience and improve wellbeing – the tools required to be a leader and tackle life's challenges effectively. Taking part in this inspirational, immersive learning experience – outside the classroom – also enables students to accelerate development of core skills.

The expedition costs £2,195 and is protected by ATOL (6697) and can be paid via scheduled payment plans. As part of the programme, we support students through [Pay Your Way](#) which provides guidance, resources and support to help participants earn the cost of their expedition through enterprise activity.

Where can I find more information?

Outlook Expeditions will be hosting an information webinar on **Tuesday 21st May at 7:00pm** and we'd be delighted if you and your son or daughter could join us. The webinar is your chance to find out more about Outlook Expeditions and decide, as a family group, if the Outlook programme and expedition to Romania is something you want to get involved in.
