Year 13 Academic Reports

Dear Families,

I was delighted with the maturity and dedication that Year 13 showed towards their recent November preliminary examinations. They worked hard in the lead up to these examinations and can now identify what has gone well for them and what tweaks can be made in the lead up to their final examinations in the summer.

Your child's Academic Report for this term is included with this letter and contains a summary of their prelim assessment results and their predicted final A Level or BTEC grade.

Please discuss this report with your child; celebrating their successes, giving praise where it is due and offering support where there is room for improvement.

Academic Progress

Students are encouraged to think about the progress they have made to date and reflect on where improvements can be made. Our Sixth Form study facilities remain open until 5.00pm and students are welcome to study in school if they would prefer to. Students will be targeted for specific support by departments and academic progress mentoring to help achieve their individual potential. Students are encouraged to take advantage of the opportunities available to them for additional revision support.

More information about each area of the report can be found on the back of the report itself. If you have any queries about the report or your child's progress, please use the email address columbahouse@st-wilfrids.org

Yours sincerely,

Mrs K Forster
Assistant Headteacher
